## **DESIGN AND ACCESS REPORT**

### **APPEARANCE:**

As you can assess this application has no complexity therefore the following statement for design and access will not be lengthy.

All works to be carried out are at the side of the flat and do not  
Impose on surrounding buildings.  
Materials used will match existing as near as possible.

### **PROPOSED USE:**

Single window to give extra light to existing top floor lounge.  
The development is not detrimental to the surrounding area.

### **ACCESS:**

Access remains as existing. There is no rear access.

Yours sincerely,

Mr Hatton.
