Dear Mrs Honney-Bayes

AB/61/12

**Demolition of existing single storey kitchen extension and replacement with single storey extension to provide kitchen, utility room and shower room
3 Mount Pleasant, Arundel, BN18 9BD**

Thank you for your letter of 2 May 2012. I attach the following:

- A copy of the block plan showing the outline of the existing kitchen extension. This is to be demolished in the proposal and replaced with new, hence the shading on the originally submitted plan.
- Location plan
- With regard to the 'other' elevations, this is quite difficult as the scheme fits entirely into the space created by other buildings to the east and south of the site, which will not change. As the proposed flat roof is below the line of the existing boundary walls, there is nothing to show. Hence, the only elevation which changes is the north, the details of which you already have. Nevertheless for the sake of completeness I have illustrated the point on the attached drawing 11245/10.

Yours sincerely

David Bennett BArch (Hons) MCIOB RIBA
