Dear Anita,

We have the following comments regarding condition 9:

1. Please can a site specific construction detail drawing of the hydrobrake be provided.
2. Please adjust layout to include silt traps prior to all connections to permeable paving on plan.
3. Please provide finish and formation levels of permeable paving.
4. Please provide dimensions and construction detail for permeable pipe through sub-base.

Please re-consult us once this information has been supplied.

Kind regards,
