Dear Sir / Madam

RE: Application for a Certificate of Lawfulness for a Proposed Development

Having familiarised myself with the current Rules and Regulations of the Town and Country Planning general Permitted Development Order 2015 Schedule 2 part 1 Class E, I have applied online for the erection of a wooden cedar summerhouse to be positioned on the level riverbank at the end of my garden at the address stated at the top of this letter.

The dimensions of the summerhouse are: 2.43m x 1.82m x 2.39m high (see photos of proposed summerhouse and wooden decking on which summerhouse would be positioned attached to this online application.

In my application, I have given precise measurements as to the position of the proposed summerhouse in relation to the boundaries and from my understanding it does comply with current regulations.

I have been in contact by email and phone with your colleague, Tracey Headley-Smith both yesterday and today.

I look forward to hearing from you in due course.

Yours faithfully

James James-Crook
