Thankyou for the consultation.

The comments of the **Arun District Conservation Area Advisory Panel** are as follows:

No Objection

The columns and lamps are of a suitable scale and design in relation to the Cathedral and the streetscene. They are reflective of the existing black painted cast iron public street lighting in London Road and other principal streets in Arundel town centre.

It is considered that the proposals will have no adverse impact on the character or appearance of the conservation area.

Kind regards

Brian Banister MRTPI(Rtd), GradDiplConsAA.

On behalf of ADCAAP
