Hi Anita,

Yes please can we have a further extension of time. Hopefully we can get this wrapped up in this final one.

Yes if you could let me know how you get on with this additional information and/or if you need something more substantial than an email.

Kind Regards,

Hi Lisa,

I will add this info to the application and re-consult with Engineers. At this stage I can't advise if this is satisfactory without Engineer comments. Can you agree to an extension of time of a further month until the 29-09-2017 to allow for re-consultation and receipt of further information?

Regards

Anita

Hi Anita,

Please see attached email from the client regarding the drainage sign off, can you let me know if this is sufficient?

I will chase the amended drainage drawing that is required and let you know when this will be ready.

Kind regards,

Lisa
