CIVIC CENTRE,

DEAR MR. CLEVELAND,

RE: SURGERY TO VARIOUS TREES AT
MARLETS COURT, QUEEN STREET, ARUNDEL

THANKYOU FOR SENDING ME THE FORMS FOR MY APPLICATION
FOR PERMISSION TO CARRY OUT CERTAIN WORK ON THE TREES
AT MARLETS COURT, WHICH I RETURN HERewith IN TRIPLICATE.

I HAST APPLIED IN APRIL 2009, AND WAS VERY PLEASED
TO BE GRANTED PERMISSION FOR THIS TO BE DONE, BUT AS CAN
BE APPRECIATED, THESE TREES HAVE OVERGROWN AGAIN AND
NEED SOME ATTENTION ONCE MORE.

THERE ARE TWO EXTRA TREES ON THIS APPLICATION
IE. TREE NO: 2, AS THREE YEARS AGO, THIS WAS NOT
NOTICEABLE AS IT WAS HIDDEN BEHIND TREE NO: 4 WHICH
WAS LATER REDUCED IN HEIGHT AND TREE NO: 6 WHICH
IS IN A DIFFERENT SECTION - THIS BEING ON THE SOUTH SIDE
AND WHEN IN BLOOM IN THE SUMMER MONTHS, BLOCKS THE
VIEW OF HALF OF MY WINDOW WHICH IT IS VERY CLOSE TO,
AND APART FROM THAT, WHEN IT IS WINDY THE SHADOW
OF THE MOVING BRANCHES CAN BE VERY DISTURBING

I WOULD LIKE TO MENTION TOO - THAT THREE
YEARS AGO, I THINK IT WAS MR. EVERSON, WOULD NOT
ALLOW WORK TO BE DONE ON TREE NO: 1, A MACROCARPA,
BECAUSE OF A PRESERVATION ORDER, BUT AS THIS HAS
GROWN AND WIDENED MORE, SURELY IT COULD BE
POSSIBLE TO REDUCE THIS IN SIZE WITHOUT HARMING IT?
THIS TREE KEEPS ALOT OF LIGHT OUT AND ALSO KEEPS
THE SUN FROM THE GARDEN AT MARLETS COURT

AS I HAVE SAID BEFORE, IF A REPRESENTATIVE FROM
THE COUNCIL WOULD CARE TO SEE THESE TREES IN MY
APPLICATION, FROM THE VIEW FROM MY SECOND FLOOR
APARTMENT APART FROM ON THE GROUND, I WOULD BE
VERY PLEASED FOR THEM TO DO SO.

TREES ARE LOVELY, BUT CAN CAUSE SUCH
DISPLEASURE WHEN THEY OBLITERATE LIGHT AND SUNSHINE
AWAITING TO HEAR FROM YOU.

YOURS SINCERELY.
