Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)  
Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: AB/6/25/PL

Site Address: Sparks Yard 18 Tarrant Street Arundel BN18 9DJ

Description of works: Conversion of existing single residential unit with associated commercial space to form 3 No. residential units together with associated works and rear/side extension. This application affects the setting of listed building, affects the character and appearance of the Arundel Conservation Area, is in CIL Zone 2 and is CIL Liable as new flats.

Thank you for your internet representation made on 19th February 2025 which has been recorded as an objection with the comments as follows:

OWPC74438

Tarrant street has always had major issues with parking and sparks yard have tried numerous times to change this building into homes and always rejected so they knew the easier way to get change of use to homes was to change to offices first every objection has been down to the history and look of the building and homes won't work with the windows currently in situ and objections refused new windows and change to the exterior every-time feel extremely aggrieved this is allowed or even being submitted again. I hope planners see sense as I know homes needed but these aren't smack in the tightest of streets in Arundel and the parking issues

Your views as made above will be considered before the application is determined.
