Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/6/25/PL

Site Address: Sparks Yard 18 Tarrant Street Arundel BN18 9DJ

Description of works: Conversion of existing single residential unit with associated commercial space to form 3 No. residential units together with associated works and rear/side extension. This application affects the setting of listed building, affects the character and appearance of the Arundel Conservation Area, is in CIL Zone 2 and is CIL Liable as new flats.

Thank you for your internet representation made on 21st February 2025 which has been recorded as an objection with the comments as follows:

OWPC74471

This application appears to be based purely on the greatest financial gain achievable. Sparks Yard is an important landmark building in the centre of town and significantly adds to the aesthetic make up of commercial and residential buildings in Tarrant Street. Losing another commercial building in the centre of town can only harm the future of Arundel as a thriving business community.

Your views as made above will be considered before the application is determined.
