Dear Estella

Please accept my apologies for thinking these were new windows when in fact they are existing windows. Reference to the first floor will be deleted and a new corrected decision will be issued shortly. I'll notify you when this has been done.

regards

Dear Mark,

Please could I refer you to condition no.4 of the above Approval. There are no new windows on the first floor as part of this application. Could you therefore please remove this part of the condition and reissue the Approval?

3. 4 The windows at **first floor** and second floor level in the west elevation of the building facing No.22 Howard Road shall at all times be fixed shut below 1.7m from the floor level of the room in which they are installed and remain glazed entirely with obscure glass.

I look forward to hearing to hearing from you at your earliest convenience.

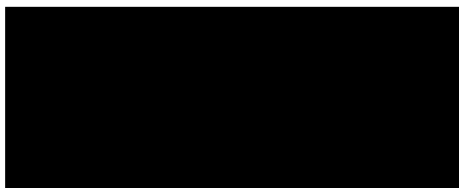

Kind regards

Estella
