

Please can the elevation plan supersede the existing elevation plan. Also please send the 21 day parish council notification, no other consultation will be necessary.

Thank you.

Hi Zac,

I hope all is ok and that you have been surviving in the lockdown. I understand that you are the case officer for the above planning application that we submitted last week so just wanted to send you an email incase you have any queries or further information you need from us.

We have also had a slight change of heart on the timber cladding and would like to propose a vertical charcoal timber cladding instead of horizontal. I have attached the revised drawing, could you let me know if it is possible to swap out the drawing for this one?

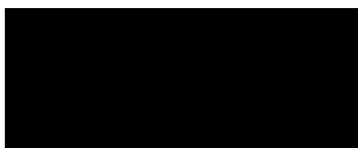

Thanks,

--
