

HERITAGE STATEMENT

FOR THE PROPERTY KNOWN AS

43 KING STREET, ARUNDEL, BN18 9BJ

SCHEDULE OF WORKS TO LISTED BUILDING

Schedule of Works comprises a summer house to be built at the rear of this building and comprises the slight re-arranging internally at the rear to form a shower room in place of the cloakroom leading then through to the proposed summer house which will be clad in timber boarding and have a slate roof over and be subservient to the existing building.

SIGNIFICANCE OF ARCHEOLOGY

There will be no significant works and there will be no archaeological detail.

HISTORY AND CHARACTER OF THE BUILDING STRUCTURE

This is a Grade 2 listed building and the works are confined to the rear.

PRINCIPLES AND JUSTICE FOR THE PROPOSED WORKS

The client wishes to use the space at the rear for a summer house and an updated shower room.

THE SETTING OF ADJACENT LISTED BUILDINGS

As this is to the rear of this listed building and its neighbour there will be no significant impact.
