Thank you for your recent application which I received on 14th July 2020. It is being validated by Zoe Toppin who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Please provide a plan which clearly shows the location of the trees. The affected trees must be labelled clearly. The plan should include road names and adjoining properties, so the location is clear. A North point is helpful.

If possible please provide an email address to make communication quicker.
