Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/75/20/PL
Site Address: 55-57 High Street Arundel BN18 9AJ
Description of works: Conversion of existing mixed use space to 1 No. 1- bedroom flat. This application affects the character & appearance of the Arundel Conservation Area & affects the setting of a Listed Building.

Thank you for your internet representation made on 3rd August 2020 which has been recorded as no objection with the comments as follows:

OWPC28764

The application site consists of a single storey, flat roofed, structure at the rear of the main building. It lies well behind the principal retail frontage of High Street as defined in the ADLP and, in addition, its conversion to residential use will have no adverse impact on the character or appearance of the conservation area. It might have a positive impact since an element of residential use in the principal commercial area of the town can aid vitality, viability and surveillance. The proposal is considered to comply with the relevant paragraphs of the NPPF and policies contained in the ADLP relating to the protection and enhancement of conservation areas.

Your views as made above will be considered before the application is determined.
