Dear Kathryn, firstly I agree to the extension of time to 25th August and regrettably, given the advice from others, withdraw that part of the application relating to double glazing. I am sure it will come in due course where it is not contentious. Do I need to send amended drawings or documents or do you simply refer to that as an omission from the consent? Is there any other reason that the application could still fail?
Kind regards Graham Nicolls

Dear Mr Nicolls,

Further to my telephone message I would be grateful if you could confirm your acceptance to an extension of time until the 25th August 2021 for the above application.

As also mentioned in my message I'm looking at recommending refusal of the Listed Building application because of the double glazing to the front of the building, If you would like to amend these details I can look at altering my recommendation. Currently I'm having trouble arguing any public benefit from the use of the double glazing as per the NPPF.

Kind regards,

Kathryn Welch
