HERITAGE STATEMENT – THE SWAN HOTEL, ARUNDEL

This public house/hotel is a Grade II listed building. Every 5 years Fuller's carry out an external redecoration of their houses with a view to upgrading the signage where necessary. This maintenance programme ensures that the building is refreshed with any repairs carried out and that the signage is kept up to date with any slight amendments to the overall image being done at this time.

The building will be redecorated in the proposed Farrow & Ball colours with the existing signwork/lighting being refurbished or replaced with new.

Scope of works

The existing signwork will be removed to allow the decoration of the building, following completion of this work the new signwork will be refitted back to its original locations using the existing fixings.

There is no structural work being done merely cosmetic enhacing the external appearance of the building through decoration signage and lighting.
