Karen,

Please find attached a revised Site Plan (Drawing No: 1650 02B) which incorporates dimensions to the boundary as discussed. I would also be grateful if you would add the attached 'Affordable Housing Financial Viability Appraisal' and 'Sequential / Exception Flood Risk Assessment' to the application file.

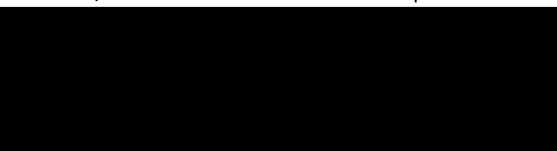

I trust that the Council's validation requirements have now been fully met, however if there are any issues with the above please let me know. Thank you with your assistance with this matter and all your help to date.

Kind Regards
