Blastreat Limited and Adjoining Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 5th September 2017 which has been recorded as '**an objection**' with the comments as follows:

Arundel is a beautiful town and I am fortunate to live in one of its 18th Century homes which is listed. We have worked hard with planners to ensure that changes we have made improve our home and its heritage. I cant believe that you are seriously considering the demolition of other historic buildings, especially to make way for such ugly and over crowded housing.

If this goes ahead, our southerly views will be impacted as we will see a building that will be too tall with windows looking towards our home. The parking in Arundel will get worse and our community will be unbalanced by a changing demographic as you distort it to become older and not younger.

What is the point of the community working on a long term planning strategy when profiteers are then encouraged to believe that our planning representatives may ignore that democratic process?

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
