Erection of a block of 45 sheltered apartments for the elderly (comprising 21 x one bedroom apartments and 24 x two bedroom apartments age restricted to 60 years and over); with associated access, electric buggy/cycle store, refuse bin store & 34 parking spaces. This application affects the setting of a Listed Building & the character & appearance of the Arundel Conservation Area.

Blastreat Limited and Adjoining Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 7th September 2017 which has been recorded as **'an objection'** with the comments as follows:

This facility is not needed in Arundel due to existing over capacity. Its the policy of ADC to protect the views and the roof scape in and out of the historic town of Arundel. It is an overdevelopment of the site and the height obscures said historic roof scape. This overdevelopment of this area has led to traffic congestion on very narrow roads with dangerous corners, both for pedestrians and other road users. The drains and sewers cannot sustain the current demands so this huge development will only cause more flooding problems. Finally, the application goes against the Arundel Neighbourhood Plan which was agreed to by the residents of Arundel.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
