Dear Sir,

re : Planning application A.B/77/17/PL

This planning application has understandably been met with honour by both the residents & visitors to Avenel.

The immediate residents have many serious concerns regarding the flooding of the drainage system, congestion of the roads & loss of privacy to their homes.

As a frequent visitor to Avenel since 1956 when I was awed by the vista on the approach from Hove, I would be sad for the wonderful site to be compromised in any way.

The proposed site offers a unique opportunity for a development incorporating the existing Brewery thereby giving the area additional character rather than detracting from it.

I, like many others, trust that the views of the electorate will be taken seriously
