Mr D Easton

18th September 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing dwelling & buildings. Erection of a block of 45 sheltered apartments for the elderly (comprising 21 x one bedroom apartments and 24 x two bedroom apartments age restricted to 60 years and over); with associated access, electric buggy/cycle store, refuse bin store & 34 parking spaces. This application affects the setting of a Listed Building & the character & appearance of the Arundel Conservation Area.

Blastreat Limited and Adjoining Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 17th September 2017 which has been recorded as '**an objection**' with the comments as follows:

The proposed application is for 45 retirement flats with 37 car parking slots.

I'm all for development of the proposed site, but for the benefit of Arundel and the local population. Having more retirement flats/apartments in Arundel is turning the town into an old peoples town with currently five major old peoples blocks, with a noticeable number of flats currently empty. The Arundel Neighbourhood Plan for this area was to have mixed properties with a number of affordable houses/flats, so that the age proportion of Arundel can be more evenly balanced and fit in with the environment and services. The parking facilities are not proportional to the number of flats and no mention of electric vehicles which will be a norm when this block would be completed.

The proposed development is a massive carbuncle on the town, and does not consider the current environment, population and available services in the town, and is not part of Arundel's Neighbourhood Plan. I object to it as it is currently proposed.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
