Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing dwelling & buildings. Erection of a block of 45 sheltered apartments for the elderly (comprising 21 x one bedroom apartments and 24 x two bedroom apartments age restricted to 60 years and over); with associated access, electric buggy/cycle store, refuse bin store & 34 parking spaces. This application affects the setting of a Listed Building & the character & appearance of the Arundel Conservation Area.

Blastreat Limited and Adjoining Greenhurst Fitzalan Road Arundel

Thank you for your internet representation made on 2nd October 2017 which has been recorded as **'an objection'** with the comments as follows:

The proposed retirement blocks are not supported by Arundel's neighbourhood plan, ie 24 units on the site of which 30% should be affordable. For Arundel to flourish as a town we need an agreeable mix of affordable houses.

I do also feel the design would be overbearing on the immediate neighbours both in terms of obstruction of light and an oppressive amount of excess traffic.

One final point on safety we have a small family and regularly walk into town using this route. Presently, when pushing a pram and a toddler following, we find it particularly unsafe near the proposed building due to limited pavements. I note that this design does not address this. I would have concerns walking this route with the lack of pavements.

Thanks
