Dear Mr Thomas,

I write in relation to the above planning application following my meeting last week with Mr Tanner. At this meeting it was stated that the intention was for the design of the submitted application to be amended. As it stands this application will expire on the 6th November 2017 and given the work that you intend to undertake in the

amendment of the scheme it is considered that there is currently insufficient time for these drawings to be prepared submitted and considered within the statutory 13 week period.

As such, I would propose that an extension of time is put in place until the **6th December 2017** to allow your architect to prepare the amended scheme. Having discussed the application with my team leader we are unwilling to provide confirmation that the proposed amendments can be accepted as substitute plans until we have assessed the amendments to the existing scheme.

Please do not hesitate to contact me should you have any further questions.

Yours Sincerely,
David Easton
