

Application for Planning Permission and listed building consent for alterations,
extension or demolition of a listed building.
Town and Country Planning Act 1990
Planning (Listed Buildings and Conservation Areas) Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Site Address

Number	22
Suffix	
Property name	Norfolk Arms Hotel
Address line 1	High Street
Address line 2	
Address line 3	West Sussex
Town/city	Arundel
Postcode	BN18 9AB

Description of site location must be completed if postcode is not known:

Easting (x)	501884
Northing (y)	107122

Description
External alterations to include on ground floor - minor change to proposed Entrance Lobby elevations from single doors to double doors (further to previous approvals AB/22/16/PL), side elevation to rear Courtyard - removal of 1 No. door & frame to existing Female Toilets & infill opening with white-painted masonry to match existing to form 1 No. 'fake' window opening; on first floor side elevation (facing 20 High Street) replacement of 1 No. existing door height window assembly (to proposed Bedroom 3) with new timber-framed window assembly within existing opening. This application affects the character & appearance of the Arundel Conservation Area.

2. Applicant Details

Title	Mr
First name	Nicholas
Surname	Crawley
Company name	Imolott Ltd.

4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s):

- External Minor Alterations comprising:-
- Ground Floor:-
 - minor change to proposed Entrance Lobby elevations, from single doors to double doors (further to previous Approvals ref: AB/22/16/PL and AB/23/16/L).
 - front elevation - replacement of 1no. non-illuminated, face-fixed metal sign, with new 'like-for-like' sign for 'The Norfolk Tap' Bar.
 - front elevation - addition of 1no. non-illuminated, face-fixed metal sign, for 'The Castle Room' Restaurant.
 - side elevation to rear Courtyard - removal of 1no. door & frame to existing Female Toilets & infill opening with white-painted masonry, to match existing, to form 1no.'fake' window opening.
 - First Floor:-
 - side elevation facing 20 High Street - replacement of 1no. existing door height window assembly (to proposed Bedroom 3), with new timber-framed window assembly, within existing opening.
- Internal Alterations & conversions comprising:-
- Ground Floor:-
 - re-positioning Reception closer to existing Hotel entrance, to replace existing 'Norfolk Bar'.
 - forming Dispense Bar & associated Store to replace existing Reception & Back-Office
 - conversion of 'Suffolk Room' (meeting room) and adjacent Female Toilets to form 1no. Guest En-Suite Bedroom.
 - conversion of existing Male Toilets & rear Store to form Unisex Toilets facility.
 - minor alterations within existing 'Old Kitchen' Dining Room to improve circulation for guests and staff.
 - minor alterations to existing Store under existing georgian staircase, to improve stairwell / hallway .
 - addition of plasterboard suspended ceiling within proposed Accessible Guest Bedroom (further to previous Approvals ref: AB/22/16/PL and AB/23/16/L).
 - First Floor:-

4. Description of the Proposal

- conversion of existing Kitchen, Servery & Store Room to form 2no. Guest En-Suite Bedrooms, including associated works to install foul drainage, remove existing 'dumb waiter' hoist & to replace 1no. existing window assembly.
- Third Floor:-
 - conversion of existing Staff Bedroom to form 1no. Guest En-Suite Bedroom, including associated works to install foul drainage.

Has the development or work already been started without planning permission?

☐ Yes ☒ No

5. Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- ☐ Don't know
☐ Grade I
☒ Grade II*
☐ Grade II

Is it an ecclesiastical building?

☐ Don't know ☐ Yes ☒ No

6. Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

☒ Yes ☐ No

If Yes, which of the following does the proposal involve?

a) Total demolition of the listed building

☐ Yes ☒ No

b) Demolition of a building within the curtilage of the listed building

☐ Yes ☒ No

c) Demolition of a part of the listed building

☐ Yes ☒ No

Please provide a brief description of the building or part of the building you are proposing to demolish

- removal of 'Norfolk Bar' 1970's era bar counter, back-bar counter & shelving & all, associated fixtures & fittings.
- 1970's era lightweight partition, door & frame between existing Reception counter & back office.
- 1970's era lightweight partitioning, doors, frames, ceilings & sanitary ware forming existing Male Toilets, Female Toilets & rear Store (accessed from rear Courtyard).
- existing 1no. external semi-glazed timber door & frame to existing Female Toilets (accessed from rear Courtyard).
- 1970's era lightweight partitioning door & frame forming Ground Floor Store under existing georgian staircase.
- 1970's era lightweight partitioning & archway infill within 'Old Kitchen' Dining Room.
- disused 'dumb-waiter' service hoist & associated enclosure, rising between 'Old Kitchen' Dining Room and First floor Servery.
- removal of First Floor Kitchen & Servery equipment, fixtures & fittings.
- 1no. first floor window assembly to existing Store Room (proposed Guest Bedroom 3).
- localised removal of small areas of existing internal masonry walls to form new doors openings.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

- all proposed demolitions are internal minor works, with minimal intended effect on the historic fabric of the building.
- removing the 'Norfolk Bar' bar counter etc., will allow the Reception to be moved closer to the Hotel entrance, which will improve access generally & eliminate the need for guests & the public to negotiate steps in order to access Reception.
- all other demolitions described will allow improvements & refurbishments to tired, cramped or under-used areas, to provide a better environment.

7. Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

☐ Yes ☒ No

8. Listed Building Alterations

Do the proposed works include alterations to a listed building?

☒ Yes ☐ No

If Yes, do the proposed works include

a) works to the interior of the building?

☒ Yes ☐ No

b) works to the exterior of the building?

☒ Yes ☐ No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?

☒ Yes ☐ No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

☐ Yes ☒ No

3. Listed Building Alterations

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

9. Materials

Does the proposed development require any materials to be used in the build? ☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used in the build (including type, colour and name for each material) demolition excluded

Please add materials by using the dropdown, clicking 'add' and filling in all the entries in the popup box

Roof covering	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

Windows	
Please provide a description of existing materials and finishes:	Windows generally - white-painted, timber-framed, single-glazed, EITHER vertical sliding sashes OR side-hung opening casements. Window to First Floor Proposed Bedroom 3 - fixed lights with 1no. top-hung opening light, all in door-height opening (historically the opening contained 'french' doors) - all in very poor condition.
Please provide a description of proposed materials and finishes:	Replacement window assembly only to First Floor Proposed Bedroom 3 - white painted, timber-framed assembly to mimic pair of doors, but with top 2no. panes as top-hung opening lights. All existing windows to new Guest Bedrooms & new Unisex Toilets to remain, but to be overhauled, repaired as necessary & re-decorated to match existing.

Boundary treatments (e.g. fences, walls)	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

Vehicle access and hard standing	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

9. Materials

Lighting	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

Internal Walls	
Please provide a description of existing materials and finishes:	Plastered masonry load-bearing walls generally. Some timber-framed partitions with lath & plaster finishes (not affected by proposals). Some 1970's era, plasterboard faced timber studwork partitions.
Please provide a description of proposed materials and finishes:	Ground Floor:- - Dispense Bar & Store and Bedroom 115 En-Suite - lightweight, non load-bearing, acoustic partitions - 60mm 'British Gypsum ref: I-Studs' framing, faced both sides with 2no. layers plasterboard. - Unisex Toilets - lightweight, non load-bearing, acoustic partitions - 60mm 'British Gypsum ref: I-Studs' framing, faced both sides with 1no. layer 12mm ply & 1no. layer plasterboard. - Under-stairs Store - lightweight, non load-bearing, acoustic partitions - 50mm 'British Gypsum ref: C-Studs' framing, faced both sides with 2no. layers plasterboard. - no new masonry walls, but internal door opening to new Bedroom 115 formed through existing wall alongside chimney breast to form access to new En-Suite, including pre-cast concrete lintels to Structural Engineer's design. First Floor & Third Floor:- - Bedrooms En-Suites - lightweight, non load-bearing, acoustic partitions - 50mm 'British Gypsum ref: C-Studs' framing, faced both sides with 2no. layers plasterboard. - no new masonry walls, but internal door openings formed through existing internal walls between new Bedroom 3 & En-Suite and between new Bedroom 3 & existing Bedroom 4, including pre-cast concrete lintels to Structural Engineer's design.

External Walls	
Please provide a description of existing materials and finishes:	Facing brickwork generally, with white-painted finish to ground floor walls around rear courtyard. Georgian & Victorian era walls are solid masonry construction. 20th century walls are cavity construction.
Please provide a description of proposed materials and finishes:	No new external walling, except for infilling existing Female Toilets door opening, to form new 'fake' window opening (similar to existing 'fake' opening above on second floor) - new brickwork, properly brick-bonded & coursed in with existing, with pre-cast concrete sub-cill, all with exterior quality, white painted finish to match surrounding areas.

Internal Doors	
Please provide a description of existing materials and finishes:	Timber doors & frames to rooms affected by proposals, with a mixture of styles, patterns and ages, mostly white painted. Doors to be removed or replaced:- - Reception - 1970's era, stained flush-faced, ply-faced door with georgian-wired vision panel, within painted timber frame. - Reception Office - painted modern lightweight flush-faced timber door. - 'Norfolk Bar' - modern painted, fire-rated 4-panel timber door between bar counter & rear corridor. - Ground Floor Under-stairs Store - timber door (pattern not known), over-

9. Materials

Internal Doors	
	boarded previously to provide fire-resistance, but unlikely to meet current standards. Ground Floor 'Suffolk Room' - timber door (pattern not known) with georgian-wired vision panel - door over-boarded previously to provide fire-resistance, but unlikely to meet current standards. - Ground Floor Male & Female Toilets & Rear Store - painted modern lightweight flush-faced timber doors. - 'Old Kitchen' Dining Room - stained modern 3-panel timber door, with Georgian-wired vision panel as full-height central panel. - First Floor Kitchen & Servery - 2no. painted modern semi-glazed timber doors, with georgian-wired glazing.
Please provide a description of proposed materials and finishes:	Existing doors & frames to remain generally (apart from those listed in 'Existing' section for removal) and to be re-decorated. - Dispense Bar - original moulded timber surround to be made good / re-instated to match existing moulded surround to adjacent room door, with new 60-mins FR rated, 6-panel painted timber door, with similar appearance to existing door to proposed 'Private Dining Room'. - Dispense Bar Store - new painted timber 6-panel door, with similar appearance to new Dispense Bar door, within new painted timber frame. - Private Dining Room - existing 6-panel timber door & moulded timber surround to remain, with door upgraded & re-decorated & to provide fire-resistance with application of 'Sealmaster Fireface' intumescent material to the room face of the door's panels. - Reception door into rear corridor - new 30-mins FR rated, 6-panel painted timber door, with similar appearance to existing door to proposed 'Private Dining Room', within existing painted moulded timber surround. - Ground Floor Guest Bedroom 115 - new 60-mins FR rated, 6-panel painted timber door, with similar appearance to existing door to proposed 'Private Dining Room', within existing painted timber frame. - En-Suite to Bedroom 115 - painted timber 6-panel door, with similar appearance to main room door, within new painted timber frame. - Ground Floor Under-Stairs Store - new 60-mins FR rated, 6-panel painted timber door, with similar appearance to existing door to proposed 'Private Dining Room', within new painted timber frame. - Unisex Toilets - new painted timber 4-panel doors, within new painted timber frames. - First Floor Bedroom 3 - existing 6-panel timber door & timber frame to remain, with door upgraded & re-decorated & to provide fire-resistance with application of 'Sealmaster Fireface' intumescent material to the room face of the door's panels. - Connecting doors between First floor Bedroom 3 & Bedroom 4 - 2no. new painted timber 6-panel doors, within new painted timber frames, to match existing room door to Bedroom 3. - First Floor Guest Bedroom 3a - new 30-mins FR rated, 6-panel painted timber door within existing painted timber frame, to match existing room door to Bedroom 3. - En-Suites to Bedrooms 3 and 3a - 2no. painted timber 6-panel doors within new painted timber frames to match existing room door to Bedroom 3. - Third Floor En-Suite to Bedroom 17 - painted timber panelled door within new painted timber frame to match existing room door to Bedroom 17. - Third Floor Lobby door to Bedrooms 17 and 18 - new 30-mins FR rated, panelled painted timber door within existing painted timber frame, to match existing room door to Bedroom 17.
External Doors	
Please provide a description of existing materials and finishes:	Not applicable.

9. Materials

External Doors	
Please provide a description of proposed materials and finishes:	Not applicable.

Chimney	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

Ceilings	
Please provide a description of existing materials and finishes:	Lath & plaster generally, with principle Ground Floor rooms having intricate moulded plaster cornices.
Please provide a description of proposed materials and finishes:	All existing ceilings & moulded plaster cornices to remain (where present). - 'Old Kitchen' Dining Room - existing ceiling to remain, plaster panels between exposed painted timber joists (assumed as decorative joists only), with new ceiling 'infill' to match existing (where existing 'dumb waiter' service hoist & enclosure removed). - First Floor En-Suite to Bedroom 3a - existing ceiling to remain, with patch repairs / making good as necessary where existing 'dumb waiter' service hoist & enclosure removed. - Ground Floor Accessible Bedroom 114 (approved previously as part of April 2016 conversion works) - addition of plasterboard & 'British Gypsum ref: MF System' suspended ceiling, with hangers fixed through existing ceiling into existing timber floor joists (to hide existing high-level large diameter steel heating pipes & to protect existing poor condition lath & plaster ceiling).

Floors	
Please provide a description of existing materials and finishes:	Timber floorboards on timber joists generally, with joists spanning between larger timber beams, with beams bearing on to masonry external walls.
Please provide a description of proposed materials and finishes:	- All existing floors to remain. - No new floors construction, except new First Floor 'infill' within proposed En-Suite to Bedroom 3a, where existing 'dumb-waiter' service hoist removed & first floor infilled with new floor boards, timber joists and ground floor ceiling all to match existing surrounding areas & with timber connections / bearings to Structural Engineer's details. - Third Floor Corridor floor joists alterations / trimming to Structural Engineer's details, to enable new foul drainage pipework installation, including all existing floorboards carefully taken up & re-laid.

Rainwater goods	
Please provide a description of existing materials and finishes:	Not applicable.
Please provide a description of proposed materials and finishes:	Not applicable.

Other type of material (e.g. guttering) Above Ground Foul Drainage Pipework	
Please provide a description of existing materials and finishes:	Black-painted soil & vent and wastes pipework, bracketed to faces of external walls - mostly cast-iron pipework, but some lead pipework & some modern plastics pipework.

9. Materials

Other type of material (e.g. guttering) Above Ground Foul Drainage Pipework	
Please provide a description of proposed materials and finishes:	Black-painted, cast-iron pipework & fittings, bracketed to faces of existing external walls.

Are you supplying additional information on submitted plan(s)/design and access statement: ☒ Yes ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

397 Design Access and Heritage Statement

10. Site Area

What is the measurement of the site area? (numeric characters only).	2470
Unit	sq.metres

11. Existing Use

Please describe the current use of the site

Norfolk Arms Hotel

Is the site currently vacant? ☐ Yes ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated ☐ Yes ☒ No

Land where contamination is suspected for all or part of the site ☐ Yes ☒ No

A proposed use that would be particularly vulnerable to the presence of contamination ☐ Yes ☒ No

12. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway? ☐ Yes ☒ No

Is a new or altered pedestrian access proposed to or from the public highway? ☐ Yes ☒ No

Are there any new public roads to be provided within the site? ☐ Yes ☒ No

Are there any new public rights of way to be provided within or adjacent to the site? ☐ Yes ☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? ☐ Yes ☒ No

13. Vehicle Parking

Is vehicle parking relevant to this proposal? ☐ Yes ☒ No

14. Foul Sewage

Please state how foul sewage is to be disposed of:

14. Foul Sewage

- ☒ Mains Sewer
☐ Septic Tank
☐ Package Treatment plant
☐ Cess Pit
☐ Other
☐ Unknown

Are you proposing to connect to the existing drainage system?

☒ Yes ☐ No ☐ Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

New foul wastes connections, all above ground into existing soil & vent pipes.

No new underground works or connections into existing underground pipes.

- see Existing Ground, First & Third Floor Plans, drawings 397/02 revA, 397/03 and 397/ 05.

- see Proposed Ground, First & Third Floor Plans, drawings 397/11 revB, 397/12 and 397/ 13 revA.

15. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.) ☐ Yes ☒ No

f Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

☐ Yes ☒ No

Will the proposal increase the flood risk elsewhere?

☐ Yes ☒ No

How will surface water be disposed of?

☐ Sustainable drainage system

☐ Existing water course

☐ Soakaway

☒ Main sewer

☐ Pond/lake

16. Trees and Hedges

Are there trees or hedges on the proposed development site?

☐ Yes ☒ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

☐ Yes ☒ No

f Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

17. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals. Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

a) Protected and priority species (see guidance note):

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

b) Designated sites, important habitats or other biodiversity features (see guidance note):

17. Biodiversity and Geological Conservation

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

c) Features of geological conservation importance (see guidance note):

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

18. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

☐ Yes ☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

☐ Yes ☒ No

19. Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

☐ Yes ☒ No

20. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

☐ Yes ☒ No

21. Employment

Will the proposed development require the employment of any staff?

☐ Yes ☒ No

22. Hours of Opening

Are Hours of Opening relevant to this proposal?

☐ Yes ☒ No

23. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

Not applicable

Is the proposal for a waste management development?

☐ Yes ☒ No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website

24. Hazardous Substances

Is any hazardous waste involved in the proposal?

☐ Yes ☒ No

25. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

☐ Yes ☒ No

26. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- ☐ The agent
☐ The applicant
☒ Other person

f Other has been selected, please provide contact details:

Contact name:

Title	Mrs
First name	Mark Monkton
Surname	(Hotel Manager)
Telephone number	01992892401
Email address:	

27. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☒ Yes ☐ No

f Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title	Ms
First name	Clare
Surname	Dales
Reference	Site visit and 'in principle' discussions
Date (Must be pre-application submission)	21/11/2017

Details of the pre-application advice received

- for all proposals (except item below), the following comments were received by e-mail from Clare Dales:- '.... the works seem to be entirely in keeping with the hotels status as a Grade II*. The proposed alterations would in many cases enhance the appreciation of the public spaces, and division of other spaces to create bedrooms/suites could be achieved with relative ease and minimum intrusion to the historic fabric'
- for addition of suspended ceiling within previously approved Accessible guest Bedroom 114, the following comment was received by e-mail from Martyn White:- '.... installing a second ceiling would be acceptable in this instance. The existing ceiling should remain in- situ and the new one be installed so that as much of the floor to ceiling height can be maintained'

28. Authority Employee/Member

With respect to the Authority, is the applicant or agent one of the following:

- a) a member of staff
b) an elected member
c) related to a member of staff
d) related to an elected member

Do any of these statements apply to you?

☐ Yes ☒ No

29. Ownership Certificates and Agricultural Land Declaration

Certificate Of Ownership - Certificate A Certificate under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990

certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

29. Ownership Certificates and Agricultural Land Declaration

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the and is, or is part of, an agricultural holding.
