Dear Mrs Gardner,

Apologies for the delay, we have now received the window samples which we have left in reception for your perusal and comment.

The flush casement units would be for plots 5, 6, 7, 11, 12 & 13 with the box sash windows for units 8, 9 & 10.

We also have left an alternative roof tile being a Coxhili handmade autumn brown and a sample of an existing tile from the site for your perusal and comment.

We thank you in anticipation.

Yours sincerely

PP

Dear Mr Gearing,  
Yes a new application to discharge the condition will be required. The earlier application has been determined.

Dear Mrs Gardner

~~X~~ This relates to AB/104/13 and are the samples that were missing on the original discharge application.  
~~X~~ We have jumped the gun a bit as the samples have not actually arrived but expected today.  
~~X~~ Will you require a further discharge application to be made?

Regards

Dear Ms Ebsworth,

Please advise which application the materials relate to. Have you submitted a Discharge of Condition application that is awaiting checking?
