Subject: Re: AB/81/20/PL modular building at Arundel C of E Primary School - Further information request

Dear Andrew

Many thanks for your email.

Please see below for the further information requested. I hope that this is sufficient, but if you require any further details, do please let me know.

Best wishes

Lucy

'The primary intended use of the building will be to house a nursery for up to 30 children and up to 3 members of staff. The building, though situated on the school grounds, will be a privately run establishment, therefore there will be no extra staff or children taken on directly by Arundel CofE Primary School.

Due to the current situation with Covid-19 and the impact this is having on the running of the school, if planning approval is granted the building will initially be used to support the smooth running of the school and ensure the safety of the children in our care. More specifically the building will be used for the school's before and after-school club, which provides a service to children - including those of key workers - who require childcare outside standard school hours.'

Mrs Tipton,

I have had the further information request ;

'can the applicant provide details of intended use of the building, as well as details of if any additional students or staff will be taken on as a result of this proposal?'

Can you please provide an answer asap.

Thank you,

Andrew Wood
