Whilst we are only intending to replace windows on a like for like basis, please find enclosed three copies of an Application for listed building consent for alterations, extension or demolition of a listed building for work to Tower House a Grade II Listed Property in Arundel.

I have completed the form and included supporting plans and photographs and if you require further information please do give myself or my Manager, Nigel Draffan a call at the Estate Office on (01903) 882220.

Many thanks.

Yours faithfully

Rachel Bone
