Thank you for your reply.

I'm sure if you attached the plan previously sent on my second attempt which is correctly highlighted to the correctly scaled plan of my third attempt you have all the information you need. I can see nothing in your codes which says this is not feasible as, after all you have all the information its just in two places.

If this is unacceptable can I please have the contact details of your line manager with your next reply to discuss the matter further.

Sent from my BlackBerry® smartphone on O2
