Alex,

Thank you for a useful meeting last Friday which I'm sure all parties benefitted from. As you know the ext. of time for this application expired yesterday. Do you have any idea when you will be submitting the additional drainage information/ results of the exception test discussed at the meeting? We need to agree to an ext. of time so that drainage can be re-consulted and the planning report/ recommendation can be finalised. We want to be fair with this and give you good opportunity to overcome these drainage objections but as a planning department don't want this time period to run for too long.

Please give me an idea of the time periods expected and we can finalise this extension of time.

With regards,

David Spring B.Sc, M.Sc, M.A
