Dear Sir/Madam

I set out below the Town Council's objection to this application.

The Committee objected to the application on the grounds that the proposal would appear as a modern addition that would fail to respect and sympathise with the integrity and appearance of this listed row of terraced properties. It would therefore harmfully detract from the character and appearance of the row of terraced properties and this prominent part of the street scene. The scheme also provides no off street parking and would unacceptably exacerbate the existing demand for the limited spaces in the car parking bays to the front of the terrace
