Dear Anita,

AB/8/12 - land adj 84 Maltravers Street - erection of one dwelling - archaeological comments

This is a relatively minor application in a location which is on the edge of, but not within, the historic core of Arundel (see historic phase mapping in English Heritage /WSCC Extensive Urban Survey [EUS] report for Arundel) although the listed status of 84 Maltravers Street and the fact that this *is* within the Conservation Area is readily acknowledged.

No archaeological response needed.

Yours sincerely,

Mark Taylor
