Good morning Mr Richardson,

I have managed to speak with the conservation officer and he has expressed how he likes the application and that he will be suggesting conditions following the conversation he has had with you on site. He has said he is aiming to get his comments to me on Friday. As such I will be aiming to write both reports for the site on Friday. I following this information I would request an extension of time until Friday the 20th of December to allow time for the application to be written and signed off.

Kind regards,

Finlay Gardner

Dear Mr Richardson,

I am currently waiting on comments from the councils conservation officer to give me his comments. Once I have them I will be able to give you more specific dates and a request for an extension of time. Sorry I cannot be more

specific at this time. I will try and have the conversation with him this week but I am aware he is in meetings for the majority of the time.

Kind regards,

Finlay Gardner

Mr Gardner

Good afternoon.

Further to our positive site meeting with Martyn White on Tuesday 19th November, I write regarding the above application, the determination period and extension of time.
When we spoke on the telephone last, we agreed that an EOT will be required for the application and I look forward to receiving this from you.

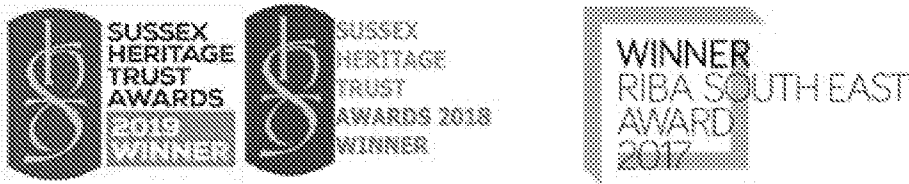

In the interim, I would be grateful if you would confirm your target dates for concluding your report and making your recommendation as well as final determination.

Many thanks, I look forward to hearing from you shortly,

Regards
