

Design & Access Statement for:

**39 The High Street,
Arundel**

3481.DA .03 (Rev -)

D&R/D&A/REV./APR.09

AUGUST 2014

1. Introduction

This application relates to 39 The High Street, Arundel.

2. Use

This Application relates to the attachment of a timber sign to the front of the property.

3. Amount

The building footprint will remain as existing.

4. Layout

The layout will remain as existing.

5. Scale

The building height, width and length will remain as existing.

6. Landscaping

The open spaces will remain as existing.

7. Appearance

The appearance of the building will change – a relatively small timber sign (335mm x 890mm) is proposed to be attached to the building to the right of the timber-frame bay window at ground floor level.

8. Access

Vehicular and transport links:

Vehicular and transport links are remaining as existing.

Inclusive access:

Inclusive access will remain as existing.

9. Heritage

(please see 3481.HS.03)

10. Conclusion

The proposed works have been designed to have minimal impact upon the visual amenity of the listed building.
