Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/98/21/HH
Site Address: 4 High Ridge Close Arundel BN18 9ES
Description of works: Erection of 2No single storey rear extensions. Conversion of roof space to habitable use to include 2No front and 1No rear flat roof dormers. Increased width of existing vehicular crossover and 1No additional crossover. Gabled canopy to front entrance and removal of chimney.

Thank you for your internet representation made on 20th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40533

The Committee objected to the Application on the grounds that the proposal does not meet the requirements in sections M01 and DM4 of the Arun Local Plan.

Section M01: 'Overdominant compositions should be avoided by ensuring that designs are a minor incident in the roof plane and made of sympathetic to the existing or original building materials, are located symmetrically and centrally on a roof, without being overly dominant or out of proportion and/or style to the original structure, are not located close to verges or hips and have gabled or flat lead roofs, do not damage the original character and appearance of the building and its surrounding area and minimise interference to the original form, appearance and fabric of the original built structure.

Policy D DM4 When considering applications for extensions and alterations to existing buildings, the Council will require that:- The extension or alteration sympathetically relates to and is visually integrated with, the existing building in siting, massing, design, form, scale and materials.

Your views as made above will be considered before the application is determined.
