Dear Sir/Madam

Town & Country Planning Planning Act 1990 (as amended) s211 Notice

Surgery to various trees within the Arundel Conservation area
Garden R/O 6 Bakers Arms Hill Arundel

Thank you for your internet representation made on 7th February 2014 which has been recorded as '**an objection**' with the comments as follows:

*I strongly object to this application and the other AB/128/13/ that the applicant has put in. I am outraged to see these applications have been put forward again after they were withdrawn a matter of weeks ago and after the amount of objections were out forward. This shows blatant disregard for residents feelings and a stubbornness to carry on without thought for others.
The cherry tree in question gives us much pleasure in spring time and it would be a travesty to hack branches off of it.
The fact that she has not come to ask my opinion or that she cannot even name the property number for Mr and Mrs Phillips further illustrates how little research she has done into what our feelings are.
This garden is home to many animals and birds and I fear another precious piece of green space will be sacrificed to the whims of a woman who never actually uses this garden!
I hope you do not consider this ridiculous application.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
