Thank you for your email, please provide a plan indicating the location of the tree so that we can make this up into a request for works to a tree in a Conservation Area.

Yours sincerely

Subject: Notice of tree work in conservation area

Dear Sirs,

I would like to carry out work on a tree in my garden. The address is Isosceles, 5 Tower House Gardens, Arundel, West Sussex BN18 9RU..

The tree is a LIME TREE.--- The work would be overall crown reduction to the last pruning cuts as specified in 2015 (and previously 2009) when the crown was last reduced by approximately 25%.

I would be most grateful if you could send confirmation of validation so that work can commence as soon as possible.

Yours faithfully

Dilys M Liversage
