Dear Harvey,

There are 10 other applications in the list above yours but I am also having to write up reports in December for our January Committee Meeting. I may be able to work on your applications during week commencing 17/12/18 – and will pencil you into my calendar. If not then it will be early January.

You may wish to note that Martyn White has recently provided his consultation comments and raised no objections.

Kind Regards

Good afternoon Simon,

My apologies for leaving a long and slightly confusing voicemail message. I wanted to ask if you could give me an update on our listed building consent application for Nyton House. I fully appreciate Arun must be snowed under, I think the consolation period was due to end on the 12th November.

Could you find time to give us an update and provide a expected timescale for our application (submitted 7th September by Chris Purdy – MH Architects).

Kind regards,

Harvey
