Dear Mrs Johnson

REF AL/101/11

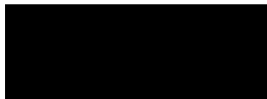

Thank you for your letter dated 28th October. Please find enclosed new application forms plus new drawings. On the first application I deleted the house on the plot because on the previous house on the OS map, My house was built approximately 4 years ago, I have enclosed a drawing that shows the old dwelling plus my new house from my planning permission drawings. I have also provided a larger scale drawing showing the porch. Also so I have included photographs for your information.

Regarding another named road, there is not one. What appears to be a road next to my property is an adopted private lane servicing the 4 bungalows to the rear of my property. If you have any queries please feel to contact me.

Yours sincerely,

Peter Collins.
