Dear Mr Muxworthy,

Thank you for submitting the revised application via the portal.

Unfortunately, this application is still invalid as you have still listed yourself as the applicant rather than the agent on the application form. Please review and amend accordingly.

Kind Regards

Good Afternoon Iqraa, [REDACTED]

I confirm the changes to the development description are acceptable.

I have made the adjustments you requested to the Plans, Elevations, and the CIL form.

Attached are also the statements for the Biodiversity, drainage Impact and flood risk.

Kind regards

James

Dear Mr Muxworthy,

Following our discussion earlier, I have attached a blank flood matrix form above alongside examples of Biodiversity Enhancement Statements.

If you require further assistance, please do not hesitate to contact me via email or telephone.
