Dear Mr Eastham,

With reference to planning application AL/103/18/PL I see that local a resident is concerned about the access up and down the lane for large vehicles - I attach a video of the council refuse truck this morning negotiating the lane to our property with no problems at all. There are no issues with any vehicle travelling up and down the lane - nor joining/coming off the A29 in either direction.

I also attach a screen shot showing the ample space available to any vehicle that traverses the lane in case the video is not viewable.

Yours sincerely,

Phil Le Cheminant
