Dear Sam,

Thanks. I confirm receipt. I have put in a new request to IT to download the files. I have just cancelled my previous request to Admin to change the files on the website/issue the re-consultation request and will instead put in a new request when the files are available to me.

Please can you not cc in Sarah and Terry in these emails. You can use land.drainage@arun.gov.uk instead however Engineers will not do anything with these files until they receive a re-consultation request from me.

Kind Regards

Simon

Afternoon all,

Apologies, after internal review we noticed we had some plans missing from the pack sent across in the previous Wetransfer link and a further small amendment to the Suds maintenance report.

As such please see the link below.
