Thank you letting us know Amber - I hope your New Year has started well. The 18th is fine by us. We are still waiting to hear from SSE for permission to connect to the grid.

I wonder if while you have the files open whether you can confirm the planning status for the Middle barn where we are hoping to put the solar panels.

We never actually spoke to the owner at the time of purchasing the buildings last July and the only information I can see on the barn is that it is marked on the original planning application as ancillary dwelling.

We found architectural drawings for using the area as a studio and office but unfortunately the practice no longer seems to exist but they have put in quite a bit of infrastructure and underfloor heating but I am unable to find any further information and guess I have not accessed the right information in the various applications.

Thank you in advance

Andrew

Dear Mr Juniper,

I am the case officer on your application AL/104/18/HH. Apologies for the delay in determining the application due to the Christmas break and awaiting consultation comments.

Please can we agree an extension of time until the 18th January to allow for the application to be signed off.

Please let me know if you agree.

Thank-you

Amber Willard
