Dear Planning,

Please find attached our letter and encs. in respect of the above which for the avoidance of doubt formally request a Screening Opinion from the LPA under Regulation 6 (1) of the Town and County Planning (Environmental Impact Assessment) Regulations 2017 (the 'EIA Regulations').

We attach with this email a copy of our Screening Report and appendices which address the information requirements set out by Regulation 6(2) of the aforementioned regulations.

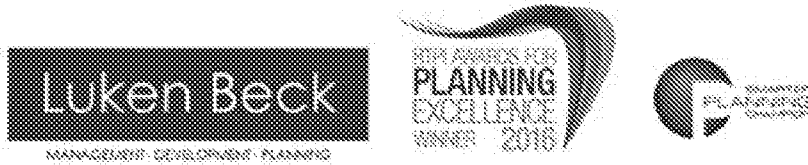

As set out by the letter we trust the enclosed information is sufficient, but if you require anything further then please do not hesitate to contact me.

Kind regards,
Nigel
