

Rep. AL/105/11

Fernlea
Hook Lane
Aldingbourne
West Sussex
PO20 3TE

ACK

28th November 2011

Dear Sirs

As a neighbour of St Hellier's Hook Lane Aldingbourne PO20 3TE I note there has been a resubmission for a previously approved planning application. The new application number is AL/78/08; I believe the previous application was granted with conditions. Would you please confirm the conditions will remain in place?

On the previous application I objected as the dormer window would look directly into my garden and amenity space and into a principle room (lounge). As with the pervious application i have no objection at all but would ask that the dormer window would be obscure glazed and fixed shut with opening sashes at high level.

Yours sincerely

P.Collins
