Dear Sirs,

Messrs SPR, Greenfields Farm, Fontwell Ave, PO20 3RU

We are submitting a formal planning application to site a mobile home in the garden curtilage of Greenfield Farmhouse which forms part of Messrs SPR Poultry Rearing. There was a mobile home on the site which is being removed at the request of Mrs Coney in the Enforcement Team and therefore a planning application is being made to provide a mobile home in the garden of Greenfield Farmhouse for occupation by Mr Barrie Bland who is a director of Messrs SPR and runs the thriving business. His father who is now some 80 years old and previously ran the business with his son has retired but continues to live in the farmhouse.

His son both from a security and management point of view wishes to continue to live on the site and this application is being made.

If we can provide any further information please do not hesitate to contact me.

D.J. Bowerman
