Comment from Greenspace

Further to submission of detailed planting plans 1&2 Dwg no 510 Rev A & 511 and further detail given re plant specification contained within the Landscape and Ecology Management Plan document (August 2019) I can confirm that the information supplied does propose a comprehensive scheme which is fitting for location with sufficient detail and therefore I would recommend the discharge of Condition 5 Soft Landscaping scheme imposed under planning approval AL/3/19/PL on this application AL/106/19/DOC.
