Afternoon,

Thank you for the below, unfortunately the information we need is for the external lighting on the houses, rather than the street lighting.

Many Thanks

Liz

Hi Liz,

Apologies that the link doesn't work. I have attached the new information sent in by the developer that was requested relating to street lighting.

Afternoon Karen,

I am unable to open the link below, and unfortunately the street lighting strategy on the system (18.02.2020) only covers the street lighting rather than the unit lighting. Do you have any drawings or information you can send me on the lighting for the units.

Thanks

Liz
