Hi Karen

Sorry to hear of your bereavement.

I did have a conversation with Fiona Fitzgerald yesterday and asked if she could review the updated plan, understandably Fiona is busy at the moment, and Fiona did promise to have a look yesterday.
Also, I e-mailed Paul Cann and I understand Paul is away from the office until the 16th March.

To this end, we agree to an extension of time to the 26th March.

Regards

Darren

Hi Darren,

Apologies for the late reply. I have been off for a few days due to a sudden family bereavement.

There have not been any further responses from Environmental Health (Conditions 7 and 10) or Drainage Engineer (Conditions 10, 20 & 21). I will chase them today. I have received a response from Building Control regarding condition 16.

I have just forwarded your External Lighting Specification to Ecology (Condition 7) and expect a response within 2 weeks.

Therefore, we require to further extend the expiry date to the 26th March 2020. Please confirm this is acceptable.

Many thanks.
Kind regards,
Karen

Hi Karen,

Please find attached the specification for the external lights.
The product specified is the L2843B.

May I ask if you have received any feedback from the balance of consultees, as the EOT is due to expire.

Regards

Darren

Hi Darren,

I have just received an email from the Ecology Advisor with the comment as follows:

Thank you for the plans below, unfortunately the information we need is for the external lighting on the houses, rather than the street lighting.

Please can you submit the details on the housing units to me so I can re-consult.

Many thanks,
Karen
