Thank you for your internet comments made on 16th November 2012 and recorded as follows:

*The application seeks approval for works to the 'Barn' which has previously been used for storage of materials and equipment used by the Aldingbourne Community Sports Centre and clubs/organisations who are users of the facilities on the site. The 'Barn' is currently an unattractive building and the proposed works will improve its visual appearance to make it complimentary to the recently renovated Barnham Signal Box.*

*Yours faithfully*  
*Mr R Cooper*  
*Clerk to Aldingbourne Parish Council*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
