Mr Cole told our Chairman that he was meeting you??
And the response is the same.
We just wanted to reiterate what we have said the Mr Cole.
He must comply with your conditions and screen the site until then it remains an objection.

Dear Joanne,

I am not due to meet Mr Cole although he does ring me fairly regularly. Can you confirm whether the Parish Council response is still an objection with comments or whether it has now changed to just comments?

I understand you are meeting with Mr Cole regarding enforcement and his subsequent planning application. I have been in conversation with Mr Vick recently and Mr Cole has had several conversations with the Parish Chairman.
If this helps, the parish council position is that it would like to see adequate screening of the whole site by way of landscaping and planting, and the parish council would also like Mr Cole to comply with the LPA decision regarding the number of mobile caravans.
